

JAVED IQBAL

Senior Full Stack Developer

Swabi, KPK Pakistan · javediqbal8381@gmail.com · + 92 3239819487

PROFESSIONAL EXPERIENCE

TECH EMULSION PESHAWAR

Team Lead and full stack Developer

2022-Present

Developed and maintained modern MERN stack applications with strong focus on performance and UX.
Integrated third-party services like Stripe, Zoom, and REST APIs to enhance product functionality.
Built browser extensions for web automation and scraping using JavaScript and React.
Optimized server response times and improved frontend load performance.
Led code reviews and enforced clean, maintainable coding practices.
Collaborated with cross-functional teams to deliver features in agile sprints.

GAMESOY WAH CANTT

MERN STACK DEVELOPER

2022-2022

Built and deployed scalable web apps using the MERN stack with a focus on performance and UI/UX.
Developed the company's services and portfolio website to showcase offerings and case studies.

TECH CREATOR SWABI, KPK

FRONTEND DEVELOPER

2020-2021

Worked in a collaborative team environment to build full-stack apps..
Gained expertise in React js, Node js, firebase and other web development concepts..
Practiced pair programming and responsive design principles for production-level projects.

PROJECTS
